January Meeting

Monday, January 4th at 7 PM. The program for the meeting will be a talk with FBI Special Agent Dennis May.

Open Carry Effective Jan 1, 2016

By Ken Gaby

The Bill signed by Governor Abbott allowing open carry in Texas will become effective January 1, 2016. Texans will still need a license to carry openly. The course for concealed carry is being modified accordingly and the Concealed Handgun License will be renamed Handgun License. Those people who have a Concealed Handgun License do not need to do anything before the renewal date.

Whether you choose to carry openly or concealed is a personal choice. There are pros and cons concerning both. However, one thing that is highly recommended is to be proficient with the handgun you carry. You cannot practice too much. Things such as being able to draw the gun without having to look at the holster, proper grip on the gun, sight alignment which is a product of proper grip, trigger squeeze, are all crucial things that you should do without having to think about them.

Even more crucial is your mind set. Know before you get in a situation how you want to react. At what point should I draw a gun? Does the other person have a gun or are they just acting in a hostile manner? Whether the other person has a gun will greatly affect how you react. After I've drawn a gun, then what? Should I take cover, back away, run as fast as I can? Or should I shoot? And everyone needs to determine if they can pull the trigger with the gun pointed at another person. Many people think they can do that easily. But most will hesitate, and start thinking. And if the other person is armed, that hesitation may be very costly.

Whatever your choice of gun and how you carry it, you should be proficient with the gun and think ahead of time how you want to react. Hopefully, none of us will ever be placed in a situation where we need a gun to defend ourselves. But if placed in such a situation, think ahead about what you might want to do.

From The President

We trust you had a Merry Christmas and will have a Happy and Prosperous New Year!

Monthly Membership:

Membership in the Temple Gun Club is open on a monthly basis. Dues will be prorated through August 1st, our normal membership renewal date. Based on the current dues rate the monthly dues to join in January are \$80, and decrease by \$10 each month after that.

The initiation fee remains at \$25 and NRA membership is required and available. Applications will be accepted from 6:45 pm to 7:15 pm immediately before each monthly meeting. Contact your friends and acquaintances who are responsible gun owners about joining our club and bring or send them early to the meetings.

We would like to solicit from the membership three more individuals to form a “membership team” to process the new member applications before each meeting. We’ll use two members at each meeting so the requirement would only be every other month. If you would like serve on that team please contact me at 254-698-0085 or dick@usdwinells.com. Thanks to Don Wyatt for stepping forward as the first for the team of four!

Programs

We are continuing to build a series of interesting and educational programs for our club. We would like very much to touch upon your area of interest and you can help us do that by submitting your ideas and suggestions. Please submit them to myself at dick@usdwinells.com or bryancasinger@aol.com. Future programs are as follows:

- January – FBI Special Agent Dennis May
- February – Girl With A Gun – bring your wife or girlfriend
- March – John Fisher County Commissioner.
- April - Rolly Correa – Retired Game Warden, Salado Constable, and pheasant hunter extraordinaire.

Texas Law Shield – is back and we have a new law

“Don't think anything bad can happen to you if you own a gun? The fact is that it can and does to legal gun owners every day.” Come join experienced program attorneys, police and Texas Law Shield members as they explain the basic laws and strategies gun owners need to stay out of trouble. Further, receive helpful and experienced advice on what to do if you are forced to protect yourself. Know the current state of the law. Only by legal gun owners knowing the law can we protect all of our 2nd Amendment rights. This seminar is Tuesday January 26, 2016 6-9 pm at Grace Christian Center in Killeen and will feature a discussion of the new open carry law. Bring your friends and register at <http://www.gunlawseminar.com/>. The cost for Texas Law Shield members, \$5 and for the general public, \$10. Trust me, you’ll get way more than \$10 of value from this seminar!

God Bless

Dick

General Range Information Usage:

Every Tuesday and Thursday the range is reserved from 8-10 AM for high power rifle practice and from 4 PM till dark for IDPA and 6 PM till dark for Steel challenge practice (in the IDPA bays).

A Girl & A Gun Shooting League is held the first Tuesday of each month.

An IDPA Match is held the first Sunday of each month.

A USPSA Match is held on the third Sunday of each month.

A Steel Challenge match is held on the fourth Saturday of each month.

A High-Power Match is held the 2nd Sunday, the 3rd Saturday and last Sunday of each month. **(The last Sunday is a Service Rifle match.)**

The 2nd Saturday of the month (1-4 PM) the range is used by the 4H Youth Marksmanship Program. **NOTE: The entire East side covered shooting area is reserved for youth instruction during this time.**

Will take best offer above \$400.00. Email: mackpattarozzi@1791.com. Thanks.

For Sale

You know we lost of one of club members and past Board of Director Larry Springer. His wife, Marilyn, is now trying to sell some of Larry’s reloading equipment. If you are interested in any of the items below you can contact Marilyn or their son Larry Jr to make arrangements for pickup.

Located just South of Academy on Hwy 95. Their phone number is 254-982-4924.

Larry and I were shooting together when he bought most of this equipment and I can attest that a lot of the dies and extras are new and have never been used. The loaders have been cared for meticulously and like new.

The two loaders up for sale are two Dillon 650 and they are decked out. These come as is but are backed by Dillon’s “No BS” lifetime warranty.
