## June 4th Meeting

---

### From the President

#### Shotguns and the Range

As a reminder, there are two places shotguns may be fired on the Temple Gun Club range: The trap/skeet area just west of the covered 100-yard rifle area and the two tactical bays west of the trap/skeet area. They are expressly prohibited from any covered pistol or rifle area. If one is not sure where you can shoot; if you look down range and see a sheet of ply or pressed wood, you **may not** shoot there. Also, please pick up your shotgun shell hulls and take them home with you. These are hulls taken up from the covered pistol bay on range maintenance day last month.

#### Range Maintenance

Are you proud of the way **your** range looks? Policing the range is the responsibility of the club members. Maintaining it is also our responsibility. Please help your club maintain a clean operational facility. You do this in two ways:

First: police the range you use. In other words, leave that part of range you used better than when you arrived. Take away your and any trash left by others.

And second, formal range maintenance is scheduled the last Saturday of every month at 8:00 am, unless it is a holiday week-end and then it will be the previous Saturday. We will be pleased to have you join in and help. No particular skills are necessary, only a desire to keep the range well-manicured, neat and tidy. Come and be prepared to stay only as long as you would like.

We had about 18 workers out on 4/28/18 and got a lot done. When we left the range at 11:00 or so, the range looked great! All who worked exemplified pride in their range. Guys even weeded up the sides and on top of the berms and took out the dead fall. Thank you all.

If we all do the first part, the second will not take long. I've been asked, "I have a bad back can I still help?" The answer is an emphatic yes. We'll find something for you to do. Just tell us of your limitations.

Range maintenance on 5/19/18 will finish with a complementary BBQ for the workers. The decision was made on 4/28 to add potato salad.

### From Rayford Brown

I have inherited approximately 100 rounds of 30 cal carbine ammunition. Some of it is still in the original bandoliers and some is loose. All of it goes for \$0.25 per round in lots of at least 20. Proceeds will be donated to the Range Maintenance Food Fund. 254-718-4910 [ltcrkbrown@hotmail.com](mailto:ltcrkbrown@hotmail.com)
