August 6th - Meeting

Club Members - Renewals are DUE

From the President

Thank You

Thanks to Ken Gaby for an informative brief on the Second Amendment in June. Come this month for the next step and learn how to win the battle for our gun rights. How to have the proper dialogue.

Range Maintenance

Are you proud of the way **your** range looks? Policing the range is the responsibility of the club members. Maintaining it is also our responsibility. Please help your club maintain a clean operational facility. You do this in two ways:

First: police the range you use. In other words, leave that part of range you used better than when you arrived. Take away your and any trash left by others.

And second, formal range maintenance is scheduled the last Saturday of every month at 8:00 am. We will be pleased to have you join in and help. No particular skills are necessary, only a desire to keep the range well-manicured, neat and tidy. Come and be prepared to stay only as long as you would like.

If we all do the first part, the second will not take long. I've been asked, I have a bad back can I still help? The answer is an emphatic yes. We'll find something for you to do. Just tell us of your limitations.

Thank you all who joined us 7/28. We got a lot done but there is much more to do.

The **August range maintenance** will be on **8/25/18**. Per suggestions at the last club meeting, there will be no BBQ this time. We will be mowing, knocking down weeds, chipping the remainder of tree branches and hauling off junk. Please bring what you have that can help in those tasks. A truck and/or trailer for the junk would be great. The club will provide the chipper.
