November 5th - Meeting

From the President

Range Maintenance

Are you proud of the way **your** range looks? Policing the range is the responsibility of the club members. Maintaining it is also our responsibility. Please help your club maintain a clean operational facility. You do this in two ways:

First: police the range you use. In other words, leave that part of range you used better than when you arrived. Take away your and any trash left by others.

And second, formal range maintenance is scheduled the last Saturday of every month at 8:00 am. We will be pleased to have you join in and help. No particular skills are necessary, only a desire to keep the range well-manicured, neat and tidy. Come and be prepared to stay only as long as you would like.

If we all do the first part, the second will not take long. I've been asked, I have a bad back can I still help? The answer is an emphatic yes. We'll find something for you to do. Just tell us of your limitations.

Thank you all who joined us 10/27.

The November range maintenance will be on 11/24/18. Let's work off the Thanksgiving turkey and ham and ? We plan a BBQ this time as the cook is finally able to make it. We will be mowing, knocking down weeds and hauling off junk. Please bring what you have that can help in those tasks. A truck and/or trailer for the junk would be great.

~ Two Important Issues ~

1. Vote a straight Republican Party Box. This will vote for all the great Republican Judges and Justices. I know of no Democrats who will support and defend the Constitution for real.
2. Vote for the Democrat for Land Commissioner. All the Bushes are Bilderbergers/Council On Foreign Relations members. George, "W", and "P". George gave us Medicare Part D and new taxes, Remember "W" on 9/10/2001 trying to get the Canada, Mexico, and US Mutual Defense Pack and a North American Currency thus destroying our sovereign nation. Also, in 08 giving away \$700 Billion to "save capitalism."
3. "P's" actions have already cost taxpayer over \$200,000 for his illegal attacks on the Alamo Museum and its artifacts.
4. The Bushes are the smiling personification of evil.
5. Vote and get all your neighbors and relatives to vote.

CALL TO ARMS

All of you who have even one foot in reality know that the defeat of George P. Bush is absolutely our LAST chance to save the Alamo and the Cenotaph, and that Miguel Suazo is the one and only candidate who can actually DEFEAT Bush.

I appeal to all of you to go vote early for Suazo beginning Monday, October 22nd and get everybody else that you know in the state of Texas to do the same. We have an excellent candidate for the Alamo in Suazo, and party label here is totally irrelevant. We KNOW what Bush is going to do, and it does not matter if he has fifty "R's" beside his name.

We MUST not and we WILL not fail this time. We owe it to the memory of the Alamo Defenders to ALL do our duty and deliver justice on November 6th.
Remember the Alamo—AND VOTE!

-Rick Range

P.S.—This is our last stand. Do not let YOUR shot go unfired. Our votes will very likely spell the difference between victory or defeat for George P. Bush. Let's make them count to the maximum. Vote FOR Miguel Suazo.
