The initiation fee remains \$25 and NRA membership is required. Applications will be accepted from 6:00 pm to 6:45 pm immediately before each monthly meeting. Contact your friends and acquaintances who are responsible gun owners about joining our club and bring or send them early to the meetings.

From The President

Range maintenance will be scheduled the fourth Saturday of every month at 7:30 am. I know there are members that really want to participated in keeping our facility clean, presentable and enjoyable. We will be pleased to have you join in and help. No particular skills are necessary, only a desire to work. Come and be prepared to stay only as long as you would like. The work will typically be over by 9 am.

Meeting Location & Time Reminder

We have changed the location of our meetings to the Belton Goodwill Learning Center at 2601 Commerce St (the corner of Commerce and Sparta Rd about half way between HEB & Belton High), Belton TX. This is a beautiful comfortable facility. The new meeting times will be:

- 6:00 pm New member applications and NRA membership.
- 6:45 pm New membership closes.
- 7:00 pm Club meeting.

Programs

- October – Annual Membership Meeting. Bring people you know who are quality folks. Help us build your club. Like a particular branch of the military, we want a bunch of good men/women.
- November – Your Game Warden speaks.
- December - How to treat a gunshot wound at the range, in the parking lot or in your home.

Please note we have programs through the end of the year, but are blank for 2017. We can sure use your input. If you have suggestions/recommendations, please contact me at 254-698-0085 or dick@dwinellonline.com.

Voting

2016 is a very important election year for gun owners. Please study the candidates to insure you vote for one who is pro Second Amendment vs one who would choose to control your purchase or ownership of firearms. If you are not sure where the candidate stands, I've found that you can always look at the planks in the party platform for information on any issue.

September 22nd, 2016

Smart candidates will not always tell you where they stand on key issues. But the party they are associated with will give you a good indication.

God Bless

Dick
