December 3rd - Meeting

From the President

Let us all remember the reason
for the season. It is named
Christ mas for a reason.
He is the reason!

Range Maintenance

Are **you** proud of the way **your** range looks? Policing the range is the responsibility of the club members. Maintaining it is also our responsibility. Please help your club maintain a clean operational facility. You do this in two ways:

First: police the range you use. In other words, leave that part of range you used better than when you arrived. Take away your and any trash left by others.

And second, formal range maintenance is scheduled the last Saturday of every month at 8:00 am. We will be pleased to have you join in and help. No particular skills are necessary, only a desire to keep the range well-manicured, neat and tidy. Come and be prepared to stay only as long as you would like.

Range Maintenance Continued

If we all do the first part, the second will not take long. I've been asked, I have a bad back can I still help? The answer is an emphatic yes. We'll find something for you to do. Just tell us of your limitations.

Thank you all who joined us 11/24.

The December range maintenance will be on 12/29/18. We will be mowing, knocking down weeds and hauling off junk. Please bring what you have that can help in those tasks. A truck and/or trailer for the junk would be great.
